

Reasons for introducing the Student ForQ:

European Processes: “quality assurance systems should include ... student participation” (Berlin Communiqué)

Irish Review of Quality in universities: “greater levels of student involvement and student feedback would be highly beneficial” to quality improvement in Universities” (EUA Sectoral Report)

DCU internal developments: DCU “will develop a distinctive DCU student experience” (Strategic Plan 2005-2008)

Outcomes

- Reports to university Executive Committee (also publicly available)
- Feedback to students
- Improvement measures
